## **WELCOME TO VICTORY BIBLE TRAINING COLLEGE**

We welcome every student to Victory Bible Training College (VBTC). This school is designed to help train, prepare, and equip the next generation of believers to touch the world with the saving, healing, and deliverance power of the Lord Jesus Christ. Each student will receive a foundation in the word of God. The teaching of the word will empower the student to shine like rays of hope to the world.

VBTC is a school that was born out of the heart of Jesus. We are called to help each person to walk in God's high calling. This means that we are to release the Spirit of wisdom and revelation from the Word of God. Our goal is to instruct students who want to walk in the fullness the Lord Jesus Christ has provided. VBTC is set up for the sole purpose of training students now and the next generation to be champions for Christ.

### **OUR FOUNDERS**

Drs. Derek and Claressa Wilson have been in joint ministry for over 80 years. They each have a heart to see Jesus exalted and developed in the life of every believer. The Wilsons have pastored the Spirit of Love Center for the past 32 years and have sought to always put Jesus first, in all that they do for his glory.

## **PURPOSE, VISION, AND MISSION**

Romans 1:16-17 (NLT)

16 For I am not ashamed of this Good News about Christ. It is the power of God at work, saving everyone who believes—the Jew first and the Gentile's 17 This Good News tells us how God makes us right in his sight. This is conducted from start to finish by faith. As the Scriptures say, "It is through faith that a righteous person has life.

Acts 10:38 Amplified Bible, Classic Edition (AMPC)

38 How God anointed and consecrated Jesus of Nazareth with the [Holy] Spirit and with strength, ability, and power; how He went about doing good and, [a]in particular, curing all who were harassed and oppressed by [the power of] the devil, for God was with Him.

### **PURPOSE**

To train up believers to take the Gospel of Jesus Christ to the world in word and power. To build a solid foundation in the Word of God. That the student will understand how to effectively use the word of God and the gifts that Jesus left the Church.

### **VISION**

To see students enhanced and developed in the word of God so that they will be successful in the Ministry of the Lord Jesus Christ and in their personal lives.

### **MISSION**

To develop leaders and future generations who will make a mark for Jesus Christ in the world that can never be erased by time

Victory Bible Training College is a ministerial school committed to:

- Supplying the proper perspective of God's Word.
- \* Training the members of the Body of Christ in their ministerial gifts and callings.
- \* Preparing students to become vessels fit for the Master's use.
- \* Equipping laborers to work in the ripe, end-time harvest.
- \* Equipping students for all types of Christian employment through the teaching of the Gospel of Jesus Christ.

## **FUNDAMENTALS**

**There are six foundational stones that this College will be built upon:**

- 1. The integrity of the Holy Word of God.*
- 2. That Jesus is the Son of God and the Savior of the World.*
- 3. The person of the Holy Spirit is vital in the life of the Church and believer.*
- 4. That walking in the light of Holiness, purity, and integrity is paramount in the life of the believer.*
- 5. Developing ministry gifts, gifts of the spirit, individual calls, and personal spiritual growth for today and the next generation.*
- 6. Understanding the life of faith.*

1. The integrity of the Holy Word of God. The foundation of our Christian faith is based on the immutability of God's Word to fail. God is the creator of all things. He does not change and cannot lie. Christ can be trusted to keep his word. That we can hold God's word up against anything in life and be sure of victory in Jesus might name. We must know that Jesus is the Word of God and the Will of God in motion. We can follow his life and principles in our daily lives.

2. Jesus is the Son of God and the world's Savior. We believe that Jesus is the Son of God. He was born of a virgin and died for the sins of the world. Through his substitutionary work, the world has full redemption by faith in his blood. Jesus is the only way for humanity to be saved and is the panacea for all the world's ills.
3. The person of the Holy Spirit is vital in the life of the Church and believer. The person of the Holy Spirit and his functions are vital in the New Testament church and believers. Jesus said it was expedient he went away, or the Holy Spirit would not come. The Holy Spirit has come in his fullness and is here to glorify Jesus. He is here to take the Church and the believer into a greater revelation of who we are, what we have, and what we can do in Christ. He is here to make sure that wherever the Gospel is preached, that signs, wonders, and miracles happen in the name of Jesus.
4. Walking in the light of Holiness, purity, and integrity. The individual believer must walk in personal holiness and righteousness. These truths will help keep our private and public life without compromise. The call of Holiness is for us to walk in the love of God and his grace.
5. Developing ministry gifts, gifts of the spirit, individual calls, and personal spiritual growth. The training of the ministry gifts and gifts of the spirit will be vital to ensure that the student understands the functionality of their operations. In addition, we will help those who are a part of VBTC become aware of how these gifts work in the local Church and ministry. We will also encourage personal spiritual development as they grow in the knowledge of God's word.
6. Understanding the life of faith. The word of God declares without faith, we cannot please God. Every believer must learn how to use their faith. The God kind of faith is set up by knowing, believing, and doing the word of God.

## **THE PERSPECTIVE OF VBTC**

Victory Bible Training College was founded in 2019. It works under the leadership of a Board of Directors. Pastor Derek Wilson is the President.

We are committed to worldwide evangelism, discipleship, healing, and the perfecting of the Body of Christ. We prepare God's people for ministry. Our ministerial courses answer the prayers of thousands who are seeking direction in their calling, as well as salvation, deliverance, and healing for the sick.

God has charged us to destroy the doctrines of men by teaching the Word from His perspective. This requires that there be no private interpretation of Scripture (II Peter 1:20), in other words, the Bible interprets itself.

The courses at VBTC are designed to teach the student how to take the principles taught in each class and apply them to their real-life situations and win others to Christ.

These teachings are awakening the Christian community around the world. As a result, many have moved to a higher level of spiritual comprehension of God's Word and into a deeper, more intimate relationship with God.

## **WHAT WE BELIEVE**

We believe in the one and only true God, the God of Abraham, Isaac, and Jacob. He is omnipotent, omnipresent, and omniscient. He is totally in control of everything in the universe and has a purpose and plan for humanity.

We believe that God is a triune being. He is God the Father, God the Son, and God the Holy Spirit.

We believe that God sent His only begotten Son, Jesus Christ, in the flesh and that He was born of a virgin, through the power of the Holy Spirit.

We believe that Jesus was manifested to destroy the works of Satan on the earth, to bring eternal life and salvation to humanity, and to transform men from the kingdom of darkness and death into the Kingdom of life, light, and truth.

We believe that God's authority in the earth realm is to set up His will, to show forth His glory and manifold wisdom to principalities and powers in high places, and to bring forth, many sons into glory through the person of the Holy Spirit.

We believe that God's Son, Jesus Christ, died for the sins of humanity on the Cross, rose from the dead on the third day, and is the firstborn from the dead, the firstborn of the creation of God.

We believe that through the blood of Jesus Christ humanity has hope, salvation, eternal life, deliverance, and the power to destroy the works of the devil in every area of life.

We believe there is a glorious kingdom of light and a kingdom of darkness. The only hope for humanity is transformation through the power of God by the Holy Spirit, from the kingdom of darkness (sin, destruction, and death) into the Kingdom of light (salvation, life, truth, and deliverance).

We believe that only the blood of Jesus Christ and the law of the spirit of life can restore broken relationships with God and release man from the power of the law of sin and death. We believe that man's willpower is powerless against the kingdom of darkness, and only the power of God can set humanity free from captivity, disease, sickness, death, and sin. Therefore, we believe that Jesus Christ is the Head of the Body, the Church, and that He is preparing it to present to Himself a glorious, holy, and sinless bride, without spot, blemish, or wrinkle.

## **MINISTRY PRACTICUM**

II TIMOTHY 2:2 (KJV)

King James Bible

And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.

I CORINTHIANS 4:2 (NIV)

Now it is required that those who have been given a trust must prove faithful.

### ***Hands-On Ministry***

The student must have 323 clock hours serving the area of ministry. In addition, a person must show fidelity and loyalty in the work of the ministry. This means that a student must commit him or herself to another person's ministry or profession.

### ***Church Attendance***

We will require that each student be faithful in a local church or ministry. It is vital that a person learns to serve using their gifts and talents in the work of the ministry. A person must be found faithful in the work of the Lord.

### **What is a Learning Management System (LMS)?**

Discover how — and why — companies use Learning Management Systems to educate students and teams. More companies across the world are choosing to deliver their training online. In fact, the eLearning market is growing so fast that it has seen a 900% growth since the beginning of the century. Companies need a Learning Management System (LMS) to provide eLearning courses. A Learning Management System is the software that companies use to develop, deliver, and track training for their employees, clients, and partners. Until recently, hearing the word "training" made us think of a classroom with an instructor giving a lecture in front of students. And if we were talking about "corporate training," we would picture a large conference or a day-long workshop. This is the traditional way of training. Online training has now gained popularity, especially in times where connecting online is easier than meeting in person. As companies, instructors, and learners see the benefits of virtual training, the eLearning market will keep growing.

When companies use an LMS to deliver training online, learners from anywhere in the world can connect with instructors, whether in real-time or through recorded sessions. At the same time, trainees have access to online training material (courses, guides, quizzes, videos, etc.) any time they want. But what is an LMS

exactly, and how does it work? Read on to learn how companies build their learning programs with an LMS.

An LMS enables you to create, manage, and deliver eLearning courses the same way word processors (like Microsoft Word) help you write documents and email servers (like Gmail) help you manage your email.

In class, we will look into the Bible and let the light of God's Word and the Holy Spirit impart the most fundamental truth of all-God Loves Us! and Christian Foundations-The Wonderful Holy Spirit-Jesus told us in John Chapter 16 that The Holy Spirit was sent to give Believers an advantage in life.
